

Marine Elegance

Standard

Tall

Heighten your boating experience with Marine Elegance. Melding sleek aesthetics and a compact footprint, powered by revolutionary Vortex-Vac technology. Ideal for today's recreational boats, it promises unparalleled sanitation, eco-friendliness, and user comfort. Future-ready with Bluetooth, it's the embodiment of marine luxury and efficiency. Choose the best; choose Marine Elegance.

Benefits

- ↓ **Sleek Aesthetics:** Smooth lines integrate into modern boat interiors, exuding sophistication.
- ↓ **Compact Yet Powerful:** Despite its small footprint, it boasts the revolutionary Vortex-Vac technology, making it perfect for even tight spaces.
- ↓ **Superior Sanitation:** Groundbreaking rinsing and shredding systems ensure optimal cleanliness and reduce clog risks.
- ↓ **Eco-friendly Commitment:** Designed with minimal water consumption, reflecting our promise to protect marine environments.
- ↓ **User-Centric Design:** Features a one-piece vitreous china bowl and tailored seats to enhance user experience and comfort.
- ↓ **Advanced Disposal Capabilities:** Remarkable range with the ability to pump waste 10ft vertically and 100ft horizontally.
- ↓ **Future-Ready:** Bluetooth technology integration offers easy control and troubleshooting, elevating the marine sanitation experience.

Raritan products are chosen by powerboat, sailboat, houseboat and RV owners and manufacturers the world over for their dependability, environmental responsibility, simplicity of installation, operation and maintenance. The product line includes house-hold style toilets, marine toilets, marine sanitation devices and systems, cleaning products, icemakers, water heaters and rudder angle indicators.
